### **Tribute, Inc. Announces E-Commerce Partnership with Aldrich Web Solutions**

Tribute, Inc., a provider of ERP business management software for industrial distributors, is proud to announce that Aldrich Web Solutions has been chosen to be their official e-commerce partner. Aldrich Web Solutions is a premier provider of integrated e-commerce apps and websites and their WebAlliance integrated E-Commerce suite of products for distributors is now integrated with TrulinX.

WebAlliance was built specifically for distributors and is designed for to grow online sales, provide end users with 24/7 access to customer service statements and tools, and attract new customers online. This partnership will allow TrulinX users to sell products online, attract new customers, and serve existing customers better.
