# GENERAL INFORMATION

## Booth Equipment & Carpet

Each 10’ deep exhibit will be set with 8’ high **BLACK** and **WHITE** back drape and 3’ high **BLACK** side drape, as well as a 7” x 44” company ID sign. Electricity, furnishings, displays, and any other items needed are the responsibility of the exhibitor. All exhibits **must have** wall-to-wall carpeting or other flooring, with no concrete floor exposed. The aisle carpet color will be **TUXEDO** at MPT 2021.

Exhibitors are encouraged to order booth cleaning/vacuuming for each night of MPT 2021. Cleaning services can be ordered from by completing the form in the **Utility & Additional Services** section of the manual. Booth cleaning is not included in the exhibit space price.

## Safety Inspection

It is imperative that the exhibition be conducted to ensure the safety of all concerned – visitors, exhibitor personnel and staff. Please reference the Safety Inspection Checklist found in the **Rules & Regulations** section of the Exhibitor Services Manual.

The Trade Show Advisory Council and Show Management will conduct a final safety inspection on Monday, September 13 from 2:00-3:00 PM. Show Management will be monitoring the floor during move-in, looking for booths in violation of safety regulations. Exhibitors will be notified of any violations, either in person or by written notice left in the booth. All violations must be corrected prior to the show opening.

## Security

Uniformed Security Guards and Badge Checkers will be stationed throughout the exhibit halls on a 24-hour basis and will patrol the floor during non-show hours. Every reasonable effort is made to prevent losses. The **final responsibility, however, lies with the exhibitor**. It is advised that items such as laptops, small monitors, or anything that is easily concealed, NOT be left unsecured in a booth overnight.

## Official Contractors

Below is a list of the official contractors selected by AGMA and National Trade Productions. Please report any inquiries you receive for services, shipping, AV, design/building, etc. from companies who are not on this list. Be assured that neither AGMA nor National Trade Productions provides exhibitor lists to those other than official MPT vendors. If you have received an email or a phone call and are not sure if this is an official show contractor, please do not hesitate to contact MPT Show Management at 703.706.8206.

FREQUENTLY ASKED MATERIAL HANDLING QUESTIONS

Exhibiting in trade shows is one of the best and most cost-effective ways to drive new sales and market your business. However, like any marketing opportunity, participating in a trade show is not without costs. To help you keep your costs as low as possible, thus maximizing your return on investment, we offer you the following tips and answers to your questions:

Should I ship my freight to the advance warehouse or directly to show site?
If freight can be shipped in advance, this is recommended as there are no waiting periods for drivers, and freight can be verified that it has been received and will be available on the show floor when move-in begins. There are no target dates to adhere to when shipping to the advanced warehouse. Material handling for advanced warehouse freight may cost a little more, but you can save valuable time and money in other areas. The general services contractor will allow shipments to be in the warehouse up to 30 days before move-in at no additional costs. Provide your shipping company adequate lead time to have your shipment arrive at its destination. If you schedule your pick-up far enough in advance that it can go overland, you’ll avoid costly air freight bills. Please contact GEMS directly at (313)400-1454 for further information.

Should I order the Unlimited Material Handling option?
If your freight (machinery) is heavy weight, you may want to consider the Unlimited Material Handling option. Compare your cost per cwt. (100 lbs.) and per sq. foot. If your freight/machinery has a lot of weight, material handling by billing square footage may be the most economical choice. If you have a smaller booth and minimal materials, such as a pop-up display and marketing material this option would not be beneficial to you.

How should my shipment be packed?
To keep from paying higher for material handling fees, consider consolidating all of your trade show materials (booth properties and marketing materials) into one shipment, whether the destination is an advance warehouse or the show floor itself. You will be charged for each individual shipment received, with minimums applying to smaller shipments under 200 pounds.

Example of Cost Savings when you Consolidate Shipments.
Example (when total weight is less than 200 lbs.):

<table>
<thead>
<tr>
<th>3 Separate Shipments</th>
<th>1 Consolidated Shipment</th>
</tr>
</thead>
<tbody>
<tr>
<td>60 lbs charged @ 200 lbs</td>
<td>177 lbs charged @ 200 lbs</td>
</tr>
<tr>
<td>$216.00</td>
<td>$216.00</td>
</tr>
<tr>
<td>52 lbs charged @ 200 lbs</td>

</tr>
<tr>

</tr>
<tr>
<td>65 lbs charged @ 200 lbs</td>
<td></td>
</tr>
<tr>
<td>$216.00</td>
<td></td>
</tr>
<tr>
<td></td>
<td>$216.00 = $648.00</td>
</tr>
<tr>
<td></td>
<td>$216.00 Savings of $432.00</td>
</tr>
</tbody>
</table>

An added benefit:
Your shipments are less likely to be misplaced if they are packaged together with larger items.
How do I avoid special-handling charges?
Be sure all your cartons are securely banded/shrink-wrapped to a skid/palette. Loose pieces incur “special-handling” charges because forklifts can’t quickly remove them from vehicles. Also be aware that special-handling charges may apply in various other circumstances (van lines where freight must be removed from side doors, small-package delivery companies like FedEx, stacked shipments, etc).

How do I know when my freight should arrive if I am shipping directly to show site?
AGMA’s MPT 2021 is a targeted show. This means each booth has a designated date and time when your freight should arrive directly to show site. Please refer to the targeted floor plan for your assigned date and time and advise your carrier well in advance when your shipment should arrive. If your freight arrives at a time other than your assigned date, off-target charges will apply. If you know that your freight will arrive off target, please advise GEMS in advance in writing and these charges may be avoided. Freight shipped to the advance warehouse will be delivered prior to move-in and will not be held to target dates.

Save material handling (drayage) costs by shipping your goods to arrive on straight time. If you’re shipping your freight directly to the convention center and can get it brought into (and back out of) the hall between 8:00 am and 4:30 pm, you’ll avoid paying overtime labor charges. Be sure your driver checks in before 2:00 pm to help to guarantee offloading on straight time. Contact GEMS or show management if you are unclear about material handling fees and/or times.

Can I deliver and unload my own freight? What is a POV?
Exhibitors may transport items (hand carry or roll in pop-up booth crates with built-in wheels) to and from their booths via the public entrances of the exhibit hall. Hand carts/dollies may not be used and are not available from GEMS. Material that cannot be hand-carried must be moved by GEMS through the loading docks.

A POV, or privately owned vehicle, is any vehicle that is primarily designed to transport passengers, not cargo or freight. Examples include pick-ups, passenger vans, taxis, limos, etc.

What happens to my empty containers during the show?
Pick up "Empty” labels at the GEMS Exhibitor Service Center. Place a label on each container. Labeled containers will be picked up periodically and stored in non-accessible storage during the show. At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

How do I protect my materials after they are delivered to the show or before they are picked up after the show?
Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.
How can I cut costs overall on my tradeshow?
Do as much as possible in advance. Suppliers from show managers to carpet and electrical rental companies to airlines often offer advance discounts. Especially when renting services for use at show-site, be sure to order before the advance-pricing deadline. Advance-pricing deadlines may vary by contractor, so please be sure to check dates for each service required, as outlined in the Deadlines Checklist.

Schedule your booth installation labor (if necessary) on straight time. If your booth cannot be set by full-time personnel from your company, you’ll need to hire labor from GEMS or another union trade show contractor. Do your best to schedule your freight to arrive as early as possible in the day so you can get it offloaded and into your booth early, and your laborers can complete work before overtime rates begin at 4:30pm. Do the math on the labor order form rates – it might save you money to incur an extra hotel night and come in a day early if it means you can pay all your labor straight time by setting up on two days instead of one.

To save costs on shipping and material handling, consider renting an exhibit (available from GEMS or other local reputable display houses) or switching to lighter-weight materials when having your new exhibit built.

Pre-wire the electricity in your display to as few plugs as possible so you can save on ordering extra electrical outlets or extension cords on-site. Also, consider building supplemental electrical outlets into your display.

If you require electrical under your carpet, be sure to submit a floor plan of your booth to the electrical company well in advance so the power is distributed before GEMS lays the carpet and/or delivers your freight. If it is not, you’ll incur labor charges to remove and replace your carpet and crates.

Do I have to use labor to set-up my booth, or can I do it myself?
Exhibitors may set up their own booths up to 400 sq. ft., provided it can be done by no more than two full-time exhibiting company personnel in four hours or less. Work may be done using only small hand tools, cordless screwdrivers and step stools limited to three steps. No ladders, mechanical lifting devices or motorized material-handling equipment can be used by anybody other than the qualified members of the union having proper jurisdiction. If GEMS labor will be used, please make sure to schedule labor after the arrival of your freight. Labor start time is guaranteed at the start of the working day. When scheduling dismantle labor, please be sure to allow sufficient time for empty containers to be returned to your booth.

Do I need insurance?
Each exhibitor is required by the terms of their contract to provide a Certificate of Insurance to Show Management. Be sure your materials are insured from the time they leave your firm until they are returned after the show. This can be done by adding riders to your existing policies.
EXHIBITOR BUDGET PROJECTION

Exhibiting at trade shows is the most economical means of bringing products to market, meeting key buyers from around the world, and establishing your company in the forefront of the gear industry. Thorough planning will help you get the best return on your trade show investment. Budgeting your show presence is a good first step toward maximizing your ROI. The show budget template below may assist you with your planning.

Note: This is a sample budget and is by no means comprehensive. Not all exhibitors will need to budget money in all these areas. It’s up to each individual company to determine which services they will use.

Exhibitor Registration

The badging system is essential for the safety and security program at any event. Therefore, Show Management has instructed security personnel to allow only badged personnel within the exhibit area. Under no circumstances will anyone be allowed on the exhibit floor without proper show identification. We ask for your cooperation and attention in complying with this system; it is to the benefit of all concerned.

Exhibitor Pre-Registration

**Online registration is open!** You may register your Booth Personnel online at [https://motionpowerexpo.com/](https://motionpowerexpo.com/) using the username and password you were provided via email. International registrants requiring a visa letter can apply through the on-line exhibitor registration website. If you have any questions, please contact registration customer service at gear@rcsreg.com or +1.805.3654 x0171.

**PLEASE NOTE: Motion + Power Expo 2021 BADGES WILL NOT BE MAILED!**

Conference Registration Cancellation Policy

- Completed registrations may not be cancelled online. The refund/cancellation request must be submitted in writing via email to mpt2021@rcsreg.com.
- Expo-only registrations are non-refundable. Substitutions are allowed.
- Education seminar cancellations will be issued with a processing fee based on the date of cancellation:
  - June 13, 2021 or prior: Full refund
  - June 14 - July 13, 2021: $50 processing fee
  - July 14 - August 13, 2021: $100 processing fee
- Any cancellations received after August 13, 2021 will not be refunded.
- Substitutions for registrations are encouraged in lieu of cancellation. Substitutions may be made in writing via email to mpt2021@rcsreg.com.
- Please allow up to 8 weeks for refund processing after cancellation request is submitted.
- If the event is cancelled for any reason, 100% of fees will be refunded to the original method of payment. Refunds may take up to 8 months to process in the event of an unforeseen cancellation.

Attendee Lead Follow-Up System

All attendees will wear paper badges, which can be scanned to help you quickly capture pertinent information for follow-up after the show. By ordering an RCS (CSI) Lead Retrieval Unit, exhibitors can easily and accurately collect data from attendees in their booths. We recommend ordering this service in advance (early bird pricing ends July 23, 2021 and advanced pricing ends August 27, 2021), using RCS’s Lead Retrieval Order Form located in the order services section of exhibitor services manual. Here is the order form link [www.rcsreg.com/leads/mpt2021](http://www.rcsreg.com/leads/mpt2021).

Hotel Information

Special rates have been arranged for Motion + Power Expo attendees and exhibitors. Hotels are all within walking distance of the convention center. All rooms are subject to applicable taxes and hotel fees. The hotel cutoff date is August 31, 2021. Here is the link [https://motionpowerexpo.com/hotels/](https://motionpowerexpo.com/hotels/). Only make reservations directly with the hotels listed on the Motion + Power Technology website.

Notice Regarding Unauthorized Housing Providers
You may be contacted by an unauthorized hotel/housing provider purporting to service the Motion + Power Expo 2021. Please note, because these room "pirates" are often unable to provide Motion + Power Expo 2021 attendees and exhibitors with complete service, AGMA works to prevent the unauthorized contact of our attendees as well as the inappropriate use of exhibitor names and the AGMA name. Please do not give your credit card number to anyone who calls you on the phone soliciting your housing reservations. Be assured AGMA is committed to providing you quality services to make your convention and exposition experiences positive, and we will vigorously pursue these organizations to prevent unauthorized contact.

Hospitality Suites
Exhibitor-sponsored Hospitality Suites in hotels cannot conflict with Show hours or other official AGMA functions. They must also be operated in a professional manner. Hospitality Suites are to be hosted and operated by Motion + Power Expo 2021 EXHIBITORS ONLY.

Hospitality Suites will be open:

**From I-270**
I-270 does not extend into downtown St. Louis. It does intersect with I-55, I-70, I-44, and I-64 at various points to access downtown.
Promote Your Presence

PRE-SHOW MARKETING

Research conducted by Exhibit Surveys, Inc., Exhibitor Magazine and other sources has conclusively proven that exhibitors who promote their booth presence to customers and prospects in advance of the show and on site routinely obtain better results than exhibitors that do not. It is ultimately up to the exhibitors to promote themselves for their upcoming event; however, Motion + Power Technology Expo 2021 has provided you with just a few opportunities to help get you started.

MARKETING SUPPORT

Official Show Directory Profiles:

Exhibitor profiles provide attendees with information on your exhibit and an index of exhibitors by product category. Your information will appear on the website.

Complimentary Exhibit Hall Guest Pass:

The Complimentary Exhibit Hall Guest Pass can be used to invite customers and top prospects to your booth, which is your “showroom on the exhibit floor.” A personalized, electronic guest pass has been created for you to pass along to your customers. This has been sent to your main exhibit contact, via e-mail. Please forward the PDF invitation to as many customers and prospects as you would like — there is no limit. You can also print out paper copies of the guest pass to hand out personally or mail the invitation with other client correspondence.

There is no cost to you or to your customers. Each pass has a unique registration code identified to your company, which will allow your guests complimentary entrance into the exhibit hall during Motion + Power Technology Expo 2021.
Promote Your Presence

These invitations work — and put your company “top of mind” in attendees’ eyes. Passes will be accepted during pre-registration and on-site registration.

Exhibitor Toolkit:

Now that you have reserved your booth space, let your clients and future contacts know how important it is that they be there, too. The staff at the American Gear Manufacturers Association (AGMA) wants your exhibit experience to be successful. With that goal in mind, we have created an online toolkit to help you increase visibility, awareness, traffic, leads and sales before, during and after the show.

The exhibitor toolkit will help you promote your presence at Motion + Power Technology Expo 2021. It is loaded with everything you need to spread the word, including promotional copy, ads, example tweets, e-mails, press releases and more. Also, AGMA has implemented a comprehensive marketing campaign to increase attendance at M+P T Expo.

Pre-Registrant and Post-Show Mailing Lists:

Use the pre-registration list to promote your presence at Motion + Power Technology Expo 2021, along with information on new products, technologies, and other compelling reasons to visit your booth. An Excel file of pre-registered attendees will be available to exhibitors only, for $195.00, beginning August 9, 2021. This list will only be provided to those exhibiting companies that have paid in full for their exhibit space. Post-show lists will also be available to exhibitors, for $350.00 from October 4 – November 19, 2021 or you can purchase both the pre-registered attendee list and the post-show list for only $500.00. Please download the Mailing List Rental Form here.

SPONSORSHIP OPPORTUNITIES

As a Motion + Power Technology Expo 2021 exhibitor, you already recognize the importance of face-to-face marketing. Discover the power a sponsorship to maximize your company’s brand power on and off the trade show floor. Whether you are looking to increase brand awareness, reinforce your reputation as an industry leader or establish new business, a Motion + Power Technology Expo 2021 sponsorship can help you achieve your goal.

There are several new and innovative sponsorship packages available for all budget levels. Sponsorships have been proven to increase booth traffic up to 104%, so visit the website and download a sponsorship brochure or call the sales office to discuss creating a package that fits your needs.
All lists will be sent via email in Excel format and will contain the name, title, company and mailing address for each registrant. Phone numbers, fax numbers and email addresses will not be provided.

- **2021 pre-registered attendee list — $195**
  Lists will ship beginning August 9, 2021, within two business days upon receipt of prepaid order; contingent upon data availability.

- **2021 post-show attendee list — $350**
  Lists will ship between October 4–November 19, 2021; contingent upon data availability.

- **2021 pre-registered attendee and post-show attendee lists — $500**

COVID Update

The health and safety of our exhibitors and attendees is our top priority, which is why we have updated event procedures and features in accordance with the latest health and safety standards. We will be following all federal, state, and local safety guidelines for the event and will regularly communicate the latest health and safety measures with exhibitors as we lead up to the event. Details on health measures at convention center can be found here: https://explorestlouis.com/meetings-conventions/americas-center/covid-19-health-safety-at-americas-center/

SAFETY INSPECTION CHECK LIST

1. Moving parts need to be roped-off or blocked-off and may be no closer than two feet from the aisles.
2. No oil/fuel or other liquid leaks are permitted.
3. Overhangs must be roped off to prevent people from walking under equipment.
4. Control levers/switches must be supervised or otherwise locked to prevent unintentional activity.
5. Electrical cords, carpets and bunting rolls must be securely taped down.
6. Rough edges, sharp corners, etc., on displays must be covered or protected.
7. Displays must be COMPLETELY within the confines of the assigned space.
8. All booths must be constructed to the regulations stated in the Terms and Conditions of the Exhibit Contract.
9. Final determination of safety compliance will be the sole responsibility of Show Management.

GENERAL

The official rules and regulations in this section apply to M+P T 2021, owned by the American Gear Manufacturers Association (AGMA). The exposition is produced and managed on behalf of AGMA by National Trade Productions (NTP). It is Show Management’s responsibility to ensure the overall safety and aesthetic appeal of the exhibit area. This means that we need your cooperation in assuring an attractive exposition.

The three most common problem areas result from the violation of booth restrictions, lack of booth carpet, and the exposure of unsightly parts of the exhibit. No one likes to read rules, but show regulations are essential to an orderly, fair, and safe event. These rules are made an integral part of our contract with you.

If you have any questions, or need an explanation of a regulation, please contact NTP’s Event Services Representative, Deneen Pratt at +1.703.706.8248, toll free 1.800.687.7469, x248 (U.S. & Canada only) or by email at dpratt@ntpevents.com. Please also see the GEMS: Furniture, Labor & Material Handling portion of this manual for guidelines concerning union labor.

AGE RESTRICTIONS

No one under the age of 18 is permitted in the exhibit hall, including during show days or on installation and dismantle days. This rule is strictly enforced.
RULES & REGULATIONS

EXHIBITOR LIABILITY INSURANCE
Every reasonable precaution will be taken by Show Management to secure the exhibit facility during installation, show hours and dismantle. However, Show Management, AGMA, service contractors, facility management, as well as the officers, staff, or directors of those entities are not responsible for the safety of the exhibitor's property from theft, damage by accident, vandalism, or other cause. Security staff will be on the premises as determined prudent by Show Management. The furnishing of such service is in no case to be understood or interpreted by exhibitors as guaranteeing them against loss or theft of any kind.

All property of the exhibitor will remain under his or her custody and control in transit to, from and within the confines of the exhibit hall, subject to the rules and regulations of the exposition. AGMA requires each exhibitor to carry commercial general liability insurance in an amount not less than $1 million bodily injury and property damage combined per occurrence/$2 million aggregate. **Exhibitors shall procure insurance as required and submit a certificate to NTP Show Management no later than August 23, 2021.** See your exhibit space contract for additional details.

Send Certificate of Commercial General Liability Insurance to the following address:

MPT 2021 Show Management  
c/o National Trade Productions, Inc. (Operations  
Dept.) 313 S. Patrick St.  
Alexandria, VA 22314-3567

If you do not have proper insurance coverage, please contact Rainprotection Insurance Program:

Phone: 800.528.7975  
Email: 800.528.7975  
www.rainprotection.net

Exhibitor assumes entire responsibility for insurance and agrees to protect, defend and save AGMA and NTP and its officers, directors, staff, contractors, and agents harmless against all claims, losses and damages to persons or property, governmental charges and attorney's fees arising out of or caused by exhibitor's installation, removal, maintenance, occupancy or use of the exposition premises including but not limited to: claims of copyright, trademark or patent infringement, unfair competition and product liability. The exhibitor, on signing the exhibit space contract, expressly releases the forgoing from all claim for such loss, damage or injury, except that such claim, damage, loss or injury was due to AGMA or NTP negligence.

MP + T 2021 EXHIBIT DISPLAY REGULATIONS
Show Management has developed the regulations below in accordance with the guidelines adopted by the International Association of Exhibitions and Events (IAEE). All exhibits at MPT must conform to these regulations. Exhibits not in compliance must be brought into compliance prior to the end of exhibit set-up. These regulations will ensure all exhibitors regardless of size an equal opportunity, within reason, to present their product(s) in the most effective manner possible.
RULES & REGULATIONS

All exhibitors are required to submit diagrams rendered to scale of their booths, indicating all structures, signage, product placement, weights, and the overall heights, widths, and lengths. Show Management must approve booth diagrams in advance of the show. Please submit your diagrams no later than July 23, 2021 to:

EXHIBIT DISPLAY REGULATIONS

LINEAR BOOTH/STANDARD BOOTH
Linear Booths have only one side exposed to an aisle and are generally arranged in a series along a straight line. They are also called “in-line” booths. Booths are ten feet (10’) wide and ten feet (10’) deep, 10’x10’. In-line booths have an eight-foot (8’) height limit. This height may be maintained on the sidewalls of your booth up to a distance of 5 feet from the aisle. Remaining length of the sidewall may be no higher than 4 feet.

PERIMETER WALL BOOTH
Perimeter wall exhibits are linear booths that back to a wall of the exhibit facility rather than to another exhibit. They are offered in 10’ widths, and can be combined to create an exhibit of almost any length. Perimeter booths have a twelve-foot (12’) maximum height limit.

Hanging Signs: Hanging signs are not allowed in perimeter wall exhibits.
RULES & REGULATIONS

PENINSULA BOOTH
A Peninsula Booth is exposed to aisles on three (3) sides and composed of a minimum of four booths. A Peninsula is 20’x20’ or larger. The maximum height permitted for any sign, display, product, fixture, or decoration within the exhibit is 20’. **NOTE:** If your booth is within the first 60’ of the exhibit hall, your height limit on hanging signs is 16’. Back walls may be **no higher than 4 feet for a distance of 5 feet** from either aisle and for a depth of **10 feet** from the back wall. Other points in the back wall may be **20 feet** in height (ceiling height permitting). Any portion of the booth bordering another exhibitor's exhibit space must have the back side of that portion finished.

![PENINSULA BOOTH Diagram](image)

SPLIT ISLAND BOOTH
A Split Island Booth is a Peninsula Booth which shares a common back wall with another Peninsula Booth. The entire cubic content of this booth may be used, up to the maximum allowable height, without any back wall line of sight restrictions. **Twenty feet (20’) is the maximum height allowance, including signage.**

![SPLIT ISLAND BOOTH Diagram](image)
RULES & REGULATIONS

ISLAND BOOTH
An Island Booth is any booth exposed to the aisle on all four sides and is a 20’x20’ or larger.
**NEW:** The entire cubic content of the space may be used up to the maximum allowable height, 20’.
Since there are no adjacent exhibitors, signs and displays up to 20’ in height may be located anywhere within the exhibit.

EXTENDED HEADER BOOTH
An Extended Header Booth is a Linear Booth that is 20’ or longer with a center extended header. All guidelines for Linear Booths apply to Extended Header Booths, except that the center extended header has a maximum height of 8’, a maximum width of 20 percent of the length of the booth, and a maximum depth of 9’ from the back of the wall.
RULES & REGULATIONS

HANGING SIGNS
Peninsula and Island Exhibits Only (20’x20’ or larger): Hanging signs will be permitted up to a maximum height of 20’ from the ground to the top of the sign and must be finished on all sides. Be sure to complete and submit the appropriate sign-hanging paperwork located in the GEMS portion of the manual. *No corporate identification can be visible above the height limitations stated in each booth diagram.*

INSTALLATION EXCLUSIONS
All exhibits must be free standing. No bolts, screws, hooks, or nails shall be driven into or otherwise attached to the walls or floors of the exhibit areas. No part of the display may be attached to, or otherwise secured to, the drapery backdrop or side dividers. In addition, no decals or other adhesive materials shall be applied or affixed to the walls, pillars or floor of the exhibit areas. Exhibitor shall not post any sign of any description except within the confines of the exhibit space assigned.

UNFINISHED AREAS
All open or unfinished sides of the exhibit which may appear unsightly must be covered or Show Management will have them covered at exhibitor’s sole expense. Any portion of the exhibit bordering another exhibitor’s space must have the backside of that portion finished and not have any identification signs, lettering, or graphics that would detract from the adjoining exhibit.

STORAGE OF CRATES, CARTONS & EXTRA MATERIALS
Storage of any materials in the space behind the booth is PROHIBITED.

ELECTRICAL

1. All wiring must be three-wire and grounded.
2. Wiring that touches the floor must be "SO" cord (minimum 14 gauge/3 wire) which is insulated to qualify for "extra hard usage."
3. Cord wiring above floor level can be "SJ" which is rated for "hard usage."
4. The use of zip cords, two wire cords, latex cords, plastic cords, lamp cords, open clip sign sockets or two-wire clamp-on fixtures is prohibited. Cube taps are prohibited.
5. Power strips (multi-plug connectors) must be UL approved, with built-in over-load protectors.
6. Electrical equipment must be Underwriters’ Laboratory (UL) approved and gas-operated equipment must be AGA (American Gas Association) approved.
RULES & REGULATIONS

FIRE SAFETY REGULATIONS
America’s Center mandates a strict adherence to the NFPA Safety Code. The decision of the Fire Marshal is final. The following materials are prohibited without the written consent of America’s Center:

- electrical cooking equipment
- open flame devices
- welding, cutting or brazing equipment
- ammunition
- radioactive devices
- pressure vessels
- exhibits involving hazardous processing and materials
- fireworks or pyrotechnics
- blasting agents / explosives
- flammable cryogenic gases
- aerosol cans with flammable propellants
- gas operated cooking equipment
- portable heating equipment

BALLOONS
Helium tanks and helium balloons are not permitted.

FACILITY EQUIPMENT
Exhibitors are prohibited from using building equipment, i.e., ladders, tools, chairs, tables, stanchions, dollies, forklifts, vacuums, brooms, etc.

GOOD NEIGHBOR POLICY
Exhibitors are asked to observe the “Good Neighbor” policy in every way. If there is audio equipment in your booth, keep the sound to a level which will not disturb neighboring exhibitors. Any entertainers which have been approved by Show Management must adhere to this same requirement. Show Management does not permit “sideshow” tactics and expects models and/or entertainment to be in good taste, confined to the exhibitor’s booth and not to be in any way offensive to registrants or neighboring exhibitors.

PRODUCT DEMONSTRATIONS
All displays, product demonstrations, and sales activities in the exhibit hall must be kept within the confines of your contracted booth space. Selling in the aisles, hosting audiences in the aisles, booth encroachment into the aisles, distributing literature in the aisles, etc., will not be tolerated. This is not only unfair to your fellow exhibitors, but blocking aisles creates a potentially unsafe situation which could lead to the show floor being shut down by the fire marshal. Please be considerate to your fellow exhibitors – refrain from soliciting their business during show hours (when they are trying to make a sale).

LITERATURE DISBURSEMENTS & SURveys
Literature samples and giveaways can be disbursed from within (and all surveys can be done from) your exhibit space ONLY!
RULES & REGULATIONS

LIGHTING & SOUND REGULATIONS

Lighting
Lighting can be an integral part of an exciting exhibit presence, however in the interest of fairness and safety, the following guidelines have been established:

- No lighting, fixtures, lighting trusses or overhead lighting are allowed outside the boundaries of the exhibit space. Exhibitors intending to use hanging light systems should submit drawings to Show Management for approval.
- Lighting should be directed to the inner confines of the booth space. Lighting should not project onto other exhibits or show aisles.
- Lighting which is potentially harmful, such as lasers or ultraviolet lighting, should comply with facility rules and be approved in writing by Show Management.
- Lighting that spins, rotates, pulsates and other specialized lighting effects should be in good taste and not interfere with neighboring exhibitors or otherwise detract from the general atmosphere of the event.

Sound
The following noise abatement policy will be enforced at M+P T 2021:

- Exhibitors may use sound equipment in their booths so long as the noise level does not disrupt the activities of neighboring exhibitors. Speakers and other sound devices should be positioned to direct sound into the booth rather than into the aisle. Rule of thumb: Sound and noise should not exceed 85 decibels.

SELLING (CASH & CARRY POLICY)
“Cash and Carry” sales are not permitted on the show floor. This regulation will be strictly enforced.

PHOTOGRAPHY REGULATIONS
No photography is permitted on the show floor unless arranged with the Official Photographer of MPT 2021.

FOOD & BEVERAGE
Exhibitors may serve food and beverages from their booth; however, they must make all arrangements through Levy Catering, the exclusive caterer to the America’s Center.

GRATUITIES
America’s Center and union labor employees are not permitted to accept gratuities of any kind. If you are solicited for a tip by convention center employees or booth labor personnel, please report the incident to Show Management.

MUSIC LICENSING
Exhibitors using music in their booth, either live or mechanical, must provide NTP/AGMA with a copy of the exhibitor’s Licensing Agreement with ASCAP, BMI, SESAC or other such licensing organization or must expressly warrant in writing to NTP/AGMA that no such license is required due to exemption under 17 U.S.C. § 110 (5) or other specified exemption. Further, should Exhibitor play music, Exhibitor agrees to indemnify and hold NTP and/or AGMA harmless from any action brought against NTP or AGMA by ASCAP, BMI, SESAC or other licensing organization for the playing of such music.
RULES & REGULATIONS

AMERICANS WITH DISABILITIES ACT (ADA)

Exhibitors must acknowledge their responsibilities under the Americans with Disabilities Act (ADA) to make their booth accessible to persons with disabilities. The key publications of concern to exhibitors are the ADA’s Title III Regulations and Guidelines for Small Businesses. These can be viewed via https://www.ada.gov/smbusgd.pdf.

Exhibitors with complex displays should pay special attention to the following conditions. Platforms and steps should not be used, or alternative access must be provided in the form of ramps with a grade of not more than one inch to one foot. The maximum rise for any run is 30 inches. Ramps with a rise of more than six inches, or a run longer than six feet, should have railings on both sides. Ramps must have edge protection in the form of curbs, walls or railings, and must have level landings at the bottom and top of each ramp. Rough or unfinished edges are not permitted. Landings should be at least as wide as the ramp and should be at least five feet in length.

Exhibitors shall also indemnify and hold harmless NTP, AGMA and its agents, GEMS, and America’s Center against cost, expense, liability, or damage which may be incident to, arise out of, or be caused by exhibitor’s failure to have their booth comply with requirements under the Act.

SPECIAL WORK PERMITS

Exhibitors who require access to the exhibit hall outside the published hours must be issued a Special Work Permit from the Show Management Office. Please come to the Show Management Office no later than 4:00 PM to obtain your Special Work Permit for that evening. Additional security may be required at the exhibitor’s expense if late work permits are required. We urge you to complete your exhibit installation/dismantling during specified hours.

USE OF EXHIBITOR APPOINTED CONTRACTORS (EAC’S)

An Exhibitor Appointed Contractor (EAC) is any company, other than the designated official contractors listed in this manual which an exhibitor wishes to use and which requires access to the exhibit hall before, during or after the show. This includes independent display/installation and dismantle companies or anyone who is not an employee of your company that you will have working on your equipment and products.

Also included are delivery personnel, technicians, photographers, florists, A/V companies and anyone who is hired by the exhibitor and will need access to the exhibit hall. Permission to use an Exhibitor Appointed Contractor cannot be given for utilities, booth cleaning or material handling services, as these are exclusive to the convention center and/or the general contractor. Exhibitors who plan to use Exhibitor Appointed Contractors must read and act on the remaining pages of this section, including the completion and submission of the provided EAC form.
RULES & REGULATIONS

HOW TO OBTAIN AUTHORIZATION TO USE AN EAC

1) Exhibitor MUST make a request via the online form: Exhibitors who wish to use an EAC MUST fill out the Notification of Intent to Use Exhibitor Appointed Contractor form located in this section of the manual. National Trade Productions, Inc. must receive this form no later than the deadline indicated on the form (August 13, 2021). No approvals can be granted after the deadline.

2) EACs must provide a Certificate of Insurance: Copies by email (edrudy@ntpevents.com) or fax (+1.703.706.8238) will be accepted. Every person needing access to the show floor must be covered by insurance. (Exhibiting companies are required to insure their own personnel.) Any person, who is not a direct employee of the exhibiting company, must provide his/her own proof of insurance before being allowed access to an exhibitor's booth on the show floor.

3) Acceptance of show rules from the EAC: Acceptance on the Notification of Intent to use an Exhibitor Appointed Contractor form, specifying that the EAC will abide by all show rules and regulations governing EACs (see below) including those contained herein for exhibitor designated contractors. This written acceptance must be received by Show Management by no later than the deadline indicated.

Show Management will authorize the exhibitor to use an EAC to provide services to the exhibiting firm, upon receipt of the following:

1) Certificate of Comprehensive General Liability insurance in the amount of $1,000,000 including coverage for Independent Contractors who have been authorized by Show Management to enter the premises of the show site as exhibitor appointed contractors hired by Exhibitor, with Single Limit Bodily Injury and Property Damage Coverage for each occurrence, Contractual Liability coverage, Products Liability coverage, and with completed operations coverage included.

2) Comprehensive Automobile Liability coverage, including hired and non-owned auto for not less than $500,000.

3) Workers’ Compensation, Employee and Employers’ Liability coverage in full compliance with all laws covering clients’ employees.

4) National Trade Productions, Inc., AGMA, America’s Center, and GEMS shall be named as additional insured on all policies of insurance coverage, followed by the statement: "This coverage is primary to all other coverage of the additional, named insured with respect to (Exhibitor's) contract for exhibition space with NTP/AGMA, and preparation and use of the show premises for exhibitions."

5) Written notice of cancellation of any coverage must be given to Show Management, and proof of replacement coverage meeting the same conditions as expressed above before entering the premises of the show site.

6) Any other coverage as may be required by Show Management from time to time shall be obtained on demand.

7) Exhibitor utilizing EACs agrees to indemnify and hold harmless AGMA, NTP and America’s Center from any and all liability, including attorney’s fees, which may arise due to the third-party contractor’s (EACs) presence or actions.

8) Exhibitors will be notified directly only if authorization is NOT approved. Therefore, unless the exhibitor is so informed by Show Management, and if the listed conditions are met, approval to use an EAC is implied.
RULES & REGULATIONS

RULES & REGULATIONS GOVERNING EACs

- The EAC will refrain from placing an undue burden on the Official Contractor by interfering in any way with the Official Contractor's work.
- The EAC will not solicit business on the show floor at any time.
- The EAC will share with the Official Contractor all reasonable costs incurred in connection with his operation, including overtime pay for stewards, security if necessary, restoration of exhibit space to its initial condition, marking of exhibit floor, etc.
- The EAC will cooperate fully with the Official Contractors and will comply with existing labor/union regulations or contracts as determined by the commitment made and obligations assumed by Show Management in any contracts with the Official Contractors.
- ALL EACs and their labor must be badged. No one will be allowed on the show floor without proper identification.

## Payment Policy

### Payment for Services

GEMS requires payment in full at the time services are ordered. GEMS reserves the right to institute collection action against the exhibitor if the authorized third party does not pay. See Third Party Billing Request form.

For your convenience, we will use this authorization to charge your account for any additional amounts ordered by your representative for products and services rendered to your company for this event.

### Method of Payment

GEMS accepts MasterCard, VISA, Discover, American Express, & Check. Purchase orders are not considered payment. All payments must be made in U.S. Funds drawn on a U.S. Bank. Exhibitors will be charged a $25.00 fee for returned NSF checks.

---

## Third Party Billing

Each exhibiting firm is ultimately responsible for all charges incurred on its behalf. GEMS reserves the right to institute collection action against the exhibitor if the authorized third party does not pay. See Third Party Billing Request form.

---

## Tax Exempt

If you are tax exempt in the state in which you will be exhibiting, you must provide a Sales Tax Exemption Certificate for that state. Please send the above information with your orders for the show. GEMS must receive your certificate with your order; otherwise tax will appear on your invoice.

---

## Adjustments and Cancellations

Adjustments to your invoice will not be made after the close of show. Some items, services and labor are subject to cancellation fees. Cancellation fees will apply if written notice of cancellation is not received within 15 business days of the show move-in. No credits will be issued after delivery or attempted delivery.

---

If you have any questions regarding our payment policy, please call exhibitor services at 313-400-1454 or visit our Service Desk during setup and move-out. Please complete the information and return payment in full with this form and your orders. You may choose to pay by credit card, check or bank wire transfer, however, we require your credit card charge authorization to be on file with GEMS. You agree to late fees up to 1.5% per month on any balance not paid at the conclusion of the Show, or balance left without appropriate credit card on file.
THIRD PARTY PAYMENT AND STATEMENT OF TERMS

GEMS will present invoices to third parties at the Show site for payment of all services rendered to exhibitors provided the following conditions are met:

1. The exhibitor is required to complete the “INTENT TO USE NON-OFFICIAL CONTRACTORS” form located in this manual.

2. The payment record of the third party must be acceptable to GEMS. Also, the charge card information must be completed and submitted to GEMS as a deposit for the Show.

3. If there is any doubt who is to be invoiced for a service, the charges for the service will be charged to the exhibitor. The exhibiting firm is ultimately responsible for the payment of all charges. If the Non-Official Contractor requires GEMS to fax an invoice from the Show Facility, a $75.00 service charge will be added.

4. The following form is to be completed, signed and returned by both parties by the deadline date indicated at the bottom of this page. Otherwise, the request will be denied. Please do not forget to fill out the credit card authorization form.

We understand that we, the exhibiting firm, are ultimately responsible for payment of charges incurred. In the event that the named third party does not make payment upon presentation of the invoice at the Show site, such charges will be presented to the exhibiting firm for payment.

MACHINERY HANDLING DEFINITIONS

STRAIGHT TIME: 8:00 AM to 4:30 PM, Monday through Friday

OVERTIME: 4:30 PM to 8:00 AM, Monday through Friday, all day Saturday.

DOUBLE TIME: Sundays, and holidays

(Overtime will be applied to all freight received at the warehouse and/or show site that must be moved into or out of booth during above listed times.)

DRIVERS CHECK-IN: NO LATER THAN 2:00 PM IN ORDER TO BE OFF-LOADED ON ARRIVAL DATE.

• All machinery shipments MUST be shipped directly to the Americas Center in care of GEMS. GEMS WILL NOT ACCEPT any shipments addressed to AMERICAS CENTER prior to the first day of Exhibitor Move-In.

• MACHINERY WILL NOT BE ACCEPTED AT THE WAREHOUSE.

• Certified weight tickets and proper documentation will be required on all loads containing machinery. Separate weight for display material and machinery equipment is required. There are different rates for machinery equipment if properly identified on the Bill of Lading. If the weight is not separated and/or materials not identified properly, the display rate will prevail.

• Rates quoted on Page 1 of the Material Handling form include all labor and equipment required to unload trucks at the hall and to place items in the exhibitor’s booth, one time spotting, return of containers to dock and loading on outbound carriers. Machinery will be spotted with a 6” tolerance, one time after removal from the truck provided the following conditions are met:

  1. The exhibitor, or his representative, is there to supervise the spotting
  2. The area within the booth is clearly marked to indicate the machine’s position
  3. No rigging, bolting or unbolting, unskidding, uncrating or attaching to other equipment must be done

• This will include shipments of machinery WITH proper lifting bars, points, hooks or skids which may be moved on or off of the loading dock or vehicle or show floor by forklift with NO other additional handling requirements. Forklift lifting points MUST be clearly marked.

• Machinery that does NOT fit this description or if a representative is not there will be considered UNSKIDDED and will be charged the published rates for Unskidded Machinery Shipments.

• Rates DO NOT include a labor charge for uncrating, unskidding, unpacking, recrating or reskidding materials.
UNLIMITED MATERIAL HANDLING RATE

Includes:

- Unloading of materials at showsite and deliver to booth per assigned move-in target date.
- One-time spotting of equipment, provided exhibitor is on-site when equipment is unloaded. This excludes the use of cranes. Note: any re-spotting of equipment is an additional expense charged directly to the exhibitor.
- Removal, storage and return of empties.

The following conditions must be met in order to qualify for the plan with no additional charges:

1. You must meet assigned target move-in time. Exhibitor truck must be checked-in at the Freight Desk of the Official contractor on the assigned target date and time.
2. Shipments, including machinery, must be crated, skidded or on blocks.
3. Written notification must be made to the Official Contractor specifying type of freight, number of pieces and weight of the heaviest piece prior to assembly (*Please indicate required information in the space provided below.)
4. All published deadline dates in Exhibitor Services Manual must be met—NO EXCEPTIONS
5. Variation of items 1 through 4 will result in additional charges as overtime or special handling. These rates are published on the material handling rates form.

Restrictions

1. Machinery or equipment storage in NOT provided
2. Booth / Machinery labor of any kind (carpenter, rigger, decorator) is not included. Labor rates are listed on both the Display labor form and the Rigging Equipment & labor form.
3. NO rigging, unbolting or unskidding when equipment is being unloaded, spotted or reloaded. Additional labor is required.
4. Appropriate rates will be charged for any shipment requiring distribution to booth other than contracted exhibit

AGREEMENT OF TERMS

The exhibitor accepts responsibility for the payment of charges in connection with the handling of shipments and guarantees payment to GEMS for the incurred services described herewith.

OUTBOUND SHIPPING

Each exhibitor or his representative will be expected to label his exhibit materials and furnish shipping information. Labels and Bills of Lading will be available at the Exhibitor Service Center. Previous shipping labels should be removed. GEMS accepts no responsibility for misdirected shipments as a result of old shipping labels remaining on containers. GEMS will route all shipments unless special advance arrangements are made. Exhibits and materials for which arrangements have not been made with GEMS, or which have not been removed from the exhibit area on removal day, will be transported to our warehouse, at an additional charge, to await disposition. GEMS reserves the right to route exhibit material via an alternate carrier in the event that the requested carrier fails to pick up the shipment or refuses to accept shipments within five (5) business days following the close of the Show. No liability will be assumed by GEMS as a result of such re-routing or handling. Any freight brought back to the warehouse for special pick-up will be given an additional charge.

SHIPMENTS RETURNED TO THE WAREHOUSE

At the close of the Show, should shipments need to be brought back for any reason, there will be an additional charge of $100.00 per CWT for straight time and $200.00 per CWT for overtime, with a 500 lb. minimum.

LIMITS OF LIABILITY

All shipments should be insured by the exhibitor from the time they leave their firm until they are returned after the Show. All exhibits or materials handled by GEMS and insured by the exhibitor are not to exceed a value of $0.25 per pound and are not to exceed a maximum of $50.00 per item or $1000.00 per claim, whichever is less. GEMS and its subcontractors are not insurers. The amounts paid to GEMS are based on the value of the material handling services and are unrelated to the value of the property being handled.

GEMS and its subcontractors shall not be responsible for loss, delay or damage due to strikes, lockouts, work stoppage, fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearances or other causes beyond its control, or for ordinary wear and tear in handling of equipment. GEMS and its subcontractors shall not be responsible for the materials after they have been delivered to the booth, or before they have been picked up for loading at the exhibit hall. GEMS shall not be responsible for damage to uncrated materials improperly packed, or concealed damage. All Bills of Lading covering outgoing shipments, which are given to GEMS by exhibitors, will be checked at the time of pickup from the booth, at which time corrections will be made where discrepancies exist. Furthermore, the exhibitor recognizes there may be a lapse of time between the completion of packing and the actual pickup of materials from the booth for loading onto a carrier. During such time, the materials will not be under the care or responsibility of GEMS. GEMS and its subcontractors shall not be liable to any extent whatsoever for potential or assumed loss of profits or revenues for any collateral costs, which may make it impossible or impractical to exhibit. Same claims for loss or damage which are not submitted to GEMS within thirty (30) days of the close of the Show shall be considered waived.

No suit or action shall be brought against GEMS or its subcontractors more than one year after accrual of the cause or action thereof. In order to expedite removal of materials from the Show site, GEMS shall have the authority to change designated carriers if such carriers do not pick up on time. Where the exhibitor makes no disposition, materials will be either taken to a warehouse to await exhibitor’s shipping instructions (in which case extra charges will be the responsibility of the exhibitor) or shipped to the exhibitor’s address.

The consignment or delivery of a shipment to GEMS or its subcontractors by the exhibitor, or by any shipper on behalf of the exhibitor, shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth in the above section.

EXHIBITING FIRM:  
BOOTH#: 

September 14—16, 2021
**NON-OFFICIAL CONTRACTORS’ RULES & REGULATIONS**

Gilbert Exposition Management, Inc. (GEMS), has been selected as the Official Service Contractor and must be used for all material handling, furniture rental, signs, rigging, cleaning, and installation and dismantling of decorations.

A NON-OFFICIAL CONTRACTOR IS: Any individual who is not a full-time permanent employee of an exhibiting firm, who is providing a service to an exhibitor on-site, and does not represent one or more of the official contractors.

1. Each representative on a Non-Official Contractor must physically pick up, in person, an “Exhibit Crew” badge at the GEMS Exhibitor Service Center. If a representative of a Non-Official Contractor does not have any identification which verifies his/her employment by a Non-Official Contractor he/she must be accompanied to the GEMS exhibitor Service Center by a representative who has verifying identification.

2. These services shall not compete with existing labor regulations or contracts, and in fulfilling his obligations, the representative of a Non-Official Contractor shall adhere to the regulations set up by the hall and Show management regarding entrance.

3. The representative of a Non-Official Contractor shall have a true and valid order for service from an Exhibitor in advance of the move-in date and shall not solicit business on the Show floor.

4. The representative of a Non-Official Contractor will share with the Official Service Contractor all reasonable costs related to his operation, including overtime pay for stewards, restoration of exhibit space to its initial condition, etc.

It is the responsibility of the Exhibitor to see that each representative of a Non-Official Contractor abides by the Official Rules & Regulations of this Exposition.

---

**INTENT TO USE NON-OFFICIAL CONTRACTORS**

**A NON-OFFICIAL CONTRACTOR IS:**

Any individual who is not a full-time permanent employee of an exhibiting firm, who is providing a service to an exhibitor on-site at the Show facility and does not represent on or more of the official contractors.

1. Exhibitors who choose to use a Non-Official Contractor must complete and sign this form. It must be received at Gilbert Exposition Management Services, Inc. (GEMS), no later than the Deadline Date. NO EXTENSIONS OR EXCEPTIONS WILL BE GRANTED AFTER THE OFFICIAL PUBLISHED DEADLINE.

2. The Non-Official Contractor must provide GEMS with a copy of valid “Certificate of Insurance.” This certificate must be received no later than the deadline date. NO EXTENSIONS OR EXCEPTIONS WILL BE GRANTED AFTER THE OFFICIAL PUBLISHED DEADLINE.

3. Failure to provide GEMS with items 1 and 2 above will result in said firms being required to hire installation and dismantling labor from GEMS. Non-Official Contractors will be able to provide supervision only.

All representatives of the Non-Official Contractor must obtain an “Exhibit Crew” badge at the GEMS Exhibitor Service Center.

**IMPORTANT:** It is the responsibility of each Exhibiting Firm who is utilizing a Non-Official Contractor to complete and return the following forms to GEMS no later than September 3, 2021:

- "INTENT TO USE NON-OFFICIAL CONTRACTORS” form, which is located on the following page of this manual.
- Liability “Certificate of Insurance” form which names Gilbert Exposition Management, Inc. (GEMS), as additionally insured for each Non-Official Contractor firm being utilized. (Note: The exhibitor-appointed contractor must maintain at least $1 million in Employer’s Liability, General Liability, Automobile Liability & Worker’s Compensation as required in the state the exposition is located.)

If both the “INTENT TO USE NON-OFFICIAL CONTRACTORS” form and “CERTIFICATE OF INSURANCE” are not supplied to GEMS by September 3, 2021 then any representative of the Exhibiting Firm or Non-Official Contractor will be required to order labor from

Inspired Designs for Maximum Engagement

Design an interactive booth that achieves your company vision and encourages attendees to connect, learn, and engage.
Top 10 Booth Design Tips
Attract, Engage and Inspire.

1. **Spin Around.** Swivel chairs in small spaces maximize functionality and allow you to engage with those all around!

2. **Get Connected.** Communal tables help facilitate networking opportunities and build connections.

3. **Creature Comforts.** Design a comfortable “living room” space with soft lounge seating to relax clients and encourage conversation.

4. **Keep it Green.** Don’t forget the greenery to warm up your booth environment by bringing nature indoors.

5. **Demo Down.** Square or circular ottomans are a great way to design small theaters for quick demonstrations.

6. **Level the field!** Low and casual seating makes clients more comfortable and open to learning.

7. **Stay Social.** Stylize furnishings to create shareable moments worthy of Instagram.

8. **Gather Round!** Ottomans styled around a side table create an informal camp fire setting for small group discussions.

9. **Charge it!** Powered tables or seating encourages clients to linger in the booth and recharge.

10. **Provide a Pop!** Colorful furnishings attract attention and help reinforce brand themes.
Roma Powered Seating and Rustique Table Booth

1. GENERAL: Notwithstanding any terms or conditions, which may be included on the Purchaser's purchase order form or otherwise, CTI's acceptance is conditional upon Purchaser's assent to the terms and conditions set forth herein. Any term or condition in the purchaser's order or acceptance in addition to or not identical with any of these terms and conditions shall not become part of the agreement of any sale unless expressly agreed to in writing by an authorized representative of CTI. CTI's failure to object to any term or condition contained in any communication from the Purchaser shall not be deemed assent to such term or condition or a waiver of the terms and conditions contained herein. The terms conditions set forth herein shall be deemed incorporated (as though set forth in full) into any agreement of sale entered into between CTI and the Purchaser unless modified in writing.

2. PRICES & PAYMENT: If terms are provided, all invoices are due and payable in full 10 days from the date of invoice unless other terms of payment are specified on the face thereof. Overdue payment is subject to a service charge of 1 1/2% per month, or the maximum legal rate, whichever is greater. Payment by credit card is subject to a 2.5% fee. Purchaser agrees that CTI retains full security interest in any and all material and equipment purchased by this quotation until Purchaser material and equipment purchased by this quotation until Purchaser makes payment in full. Events $5,000 and higher will be required to provide a 50% deposit upon signature of contract or a minimum of 7 days prior to show load in. The balance will be due 10 days from invoice date unless other terms are negotiated with CTI.

3. LIMITATION OF LIABILITY: Neither party shall be liable for any special, incidental, consequential, punitive or exemplary damages of any nature whatsoever for any reason (other than such party's sole negligence) whatsoever based upon breach of warranty, breach of contract, negligence, strict tort, or any other legal theory.

4. PURCHASER CHANGES, TERMINATION AND DELAYS: Order agreements pursuant to this quotation may be changed or terminated by Purchaser only with the specific approval of CTI and shall be subject to change or termination charges which shall include, among other things, compensation for specific expenses and commitments already incurred or made in connection with the orders. A minimum of 25% restocking/cancellation fee will be applicable to material or equipment orders cancelled.

5. INDEMNITY: Purchaser agrees to indemnify, defend and save CTI harmless from any and all claims, demands, suits, damages, consequential damages, interest, litigation expenses, court costs, attorney's fees, costs and expenses of whatsoever kind or nature when the same, in whole or in part, result from or arise out of (a) the failure of the Purchaser to promptly remit any amounts due and owing to CTI (b) attempts by CTI to enforce the conditions of this quotation/sale contract (c) any actions taken by CTI in accomplishing the work that are not negligent.

6. PURCHASER'S REPRESENTATIONS: Purchaser warrants that it is the owner of or that it has the right to use and/or remove any and all audio-visual, telecommunications, structured writing, cabling, conduits and/or ducts on the premises, that it has the right to alter and attach to the real property that is to be the site of the installation and agrees to indemnify and hold harmless CTI for all claims or losses resulting from CTI's use or removal of same.

7. CHOICE OF LAW: This agreement shall be governed by the domestic laws of the State of Missouri.

8. SEVERABILITY: If any of the provisions of this Agreement shall be invalid or unenforceable, same shall not invalidate or affect the validity and enforceability of any other provision, which provisions shall remain enforce and effect.

9. NOTICES TO OWNER: Failure of this contractor to pay those persons supplying materials or services to complete this contract can result in the filing of a mechanics lien on the property, which is the subject of this contract pursuant to Chapter 429, RSMO. To avoid this result you may ask for "Lien Waivers" from all persons supplying material or services for the work described in this contract. Failure to secure lien waivers may result in your paying for labor and materials twice.

Any payments not made within thirty (30) days after the scheduled payment date (date of this invoice) are subject to penalties, including interest at the rate of 1.5% per month and attorney's fees, and other damages, in accordance with Section 431.180, Revised Statutes of Missouri.

Lead Management Services

Lead Retrieval Descriptions
All device options provide leads on a cloud server with a secure personalized exhibitor portal for lead follow-up and download. Leads can be downloaded in Excel or tab delimited file as many times as you want by anyone with the login information. Leads will be available on the cloud server for up to 3 months after the event.

YOUR DEVICE
The ExpoSmart lead retrieval app for your phone; it is compatible with Android and iOS smart phones. By scanning the barcode on the attendee badge you can quickly capture leads without the need to rent hardware. With ExpoSmart, qualifiers are optional and you can add notes to each lead. Leads are uploaded to the cloud in real time for immediate access. With the ExpoSmart application on your own smartphone you can extend the opportunities to capture leads, you do not have to be in your booth to scan a badge anymore. Perfect for social functions, networking lounges etc.

OUR DEVICE
Android phone loaded with the ExpoSmart lead retrieval app, perfect for those that don’t want to use their own device. By scanning the barcode on the attendee badge you can quickly capture leads and add notes. Leads are uploaded to the cloud at the end of the event once the unit is returned. Add on options are available to enhance device capabilities.

Upgrade/Add On Options to Devices:

**ExpoAction:** Automatically send a simple text based email to the attendees that you have scanned thanking them for visiting your booth. emails will be sent immediately as you scan the badge.

**BELOW OPTIONS ONLY AVAILABLE WITH OUR DEVICE**

**High Speed Pistol Grip Scanner:** Linked to smart phone via Bluetooth. Instantly capture leads with this high speed scanner by rapidly scanning the barcode on the attendee badge. Capable of scanning at a distance of 4 feet, 50 leads per minute.

**Custom Qualifiers:** Company specific questions can be added to each lead for enhanced follow up. Up to 20 questions with 20 answers each can be included. By going to your personnel rcsreg.com/myleads portal you can easily enter your questions/answers that will automatically appear on your lead retrieval device or smart phone.

**Delivery and Pick-Up:** We will deliver and pick up the unit in your booth. No need to go back to the desk and wait in line.

EXHIBITOR ORDERING GUIDE
YOUR ROADMAP TO A SUCCESSFUL EVENT
FIRST CLASS CUSTOMER SERVICE
Leading up to the start of your event, our customer service team will work with you to ensure all the required information needed to install services is collected prior to your arrival. These items include: verifying your order, providing all pertinent IP and wireless information, collecting a floor plan, advanced payment, and confirmation of all required signatures. We understand there are a lot of moving parts when planning to exhibit at a convention and our mission to make this process as easy as possible.

It’s our goal to make our team as accessible as possible. All our events are staffed with local team members for you to utilize, helping ensure network reliability and the delivery of the services you need. During move-in and show days, our team is available to assist you with your ordered services.

REDUNDANCY OF EQUIPMENT
We always have spares on-hand and are network ready. Smart City always keeps network switches and wireless access points on-hand and connected to the network. If a piece of equipment fails, we can replace it immediately with little to no downtime.

24/7 NETWORK MONITORING
All ports on the Smart City network are polled every minute for network stability. Certified network engineers are on staff in our Network Operations Center during event hours and on call 24/7.

KNOWLEDGEABLE TECHNICAL SUPPORT
Our experienced technicians are readily available to perform troubleshooting, installation of additional services, relocations and much more.

Our team will be available throughout the entire event to provide you with the show experience you’ve always envisioned.

**FAQ**

**DOES SMART CITY NETWORKS PROVIDE COMPLIMENTARY WI-FI?**
Yes! Smart City Networks provides complimentary Wi-Fi in most designated public areas of the facility, such as the concourse lobbies and food courts. Check with your specific venue for locations. This service is made available to approximately 30 million guests, visitors, and attendees at our convention centers throughout the country. There is no requirement to purchase a Smart City Networks service in order to take advantage of the complimentary Wi-Fi.

**WHY DOESN’T SMART CITY NETWORKS PROVIDE COMPLIMENTARY WI-FI IN THE EXHIBIT HALLS?**
Exhibit halls are not public areas since this space is typically licensed to a company, government agency, or trade association for a private event. The space license agreement governs the availability of a range of services for the event and the license may or may not call for complimentary Wi-Fi services.

**WILL MY PERSONAL HOTSPOT (MI-FI) WORK IN YOUR BUILDING?**
Yes – however, the capability of your personal mobile hotspot is limited by your cellular carrier by the spectrum and Internet bandwidth capacity they have made available. Cellular carrier signals penetrate into a facility either from a nearby cellular tower or via an in-building Distributed Antenna System (DAS). It is important to remember that your personal mobile hotspot is obtaining a wireless signal from a shared cellular network, so service may be disrupted or become unreliable due to user density and demand on the carrier’s network. In all cases, you have the option to take advantage of the complimentary Wi-Fi throughout the public areas, or if you choose, you can purchase an upgraded package based on your service requirements.

**WHAT MUST BE IDENTIFIED ON MY FLOORPLANS?**
Floor plans should include the surrounding booth numbers for orientation, measurements and easy identification of all required end location(s). Be sure to distinguish your main distribution line (MDL) and additional patch cables. Please reference Smart City’s Communications Floorplan Worksheet.

**TIP:** Most of our venue’s data jacks originate from a floor pocket. Be sure to submit a completed floorplan prior to the first day show move-in to avoid any additional labor charges.

**DO YOU OFFER INCENTIVE RATES?**
Yes! Orders received along with payment by the incentive deadline date will receive our early incentive pricing.

**WHY ARE ROUTERS NOT ALLOWED ON A SHARED NETWORK?**
Many times, Smart City has found that routers on a shared network are installed incorrectly, which can cause problems for other users of the network. Additionally, an accurate count of the number of devices on the network is required to determine the appropriate network size and bandwidth available to the network. For more information and to request the build-out of a special system to meet your needs, contact our team today for a quote.

**CAN I PROVIDE MY OWN SWITCH AND/OR CABLEING?**
Yes, you can provide your own switch and patch cables for in booth cabling. Unless otherwise mandated by the venue.

**Please Note:** Connectivity can be guaranteed only to the point where Smart City Networks’ services originate in the booth. Smart City Networks cannot guarantee service on customer/exhibitor-provided cable(s) and/or equipment. Any request for trouble diagnosis or problem resolution found not to be the fault of Smart City Networks (such as faulty equipment or damaged cable) may be billed to the exhibitor at the prevailing labor rate.

**HOW MUCH BANDWIDTH DO I NEED?**
To identify how much bandwidth you should require, please reach out to a technical representative in your organization, review your program specifications listed with any demonstrations or downloads you plan to run.

**WHAT DOES SD, HD, AND UHD STAND FOR?**
SD, HD, and UHD are the abbreviated names of three video streaming formats. The basic difference between each of the formats is the number of pixels comprising the video image. The greater the pixel count the sharper and more detailed your video will be.

COMPLETE THE STEPS BELOW TO PLACE UTILITY ORDERS

Step 1 Complete the Method of Payment
This form must be completed and returned with the order forms below.

Step 2 Complete Utility Order Forms as Required
A. Electrical Order
B. Plumbing Order
C. Lighting Order
D. Booth Cleaning
E. Floral

Step 3 Review Electrical Labor Instructions
This form will help you determine if you require electrical labor in your booth.
A. What electrical work in your booth space needs to be performed by Edlen Electricians.
B. How power is delivered to your booth in the facility (from the floor or ceiling).
C. What other forms are required in order to schedule and pre-pay your estimated labor cost.

Step 4 Complete Additional Labor forms as Required
Forms include the following:
A. Electrical Distribution
   This form is used for the distribution of power on the floor in your booth space. The form should be completed by all island booths. Inline and peninsula booths need to provide this information only if power is required at any location other than the rear of the booth space.
B. Plumbing Distribution
   This form is used for the distribution of air/water & drain services in your booth space. The form should be completed by all island booths. Inline and peninsula booths need to provide this information only if plumbing is required at any location other than the rear of the booth space.

Step 5 Complete the Electrical & Plumbing Layout Forms (if applicable)
All island booths must return an electrical layout and plumbing layout (if applicable) indicating a main distribution point as well as any other locations requiring power or plumbing services. Inline and peninsula booths need to return an electrical layout only if power is needed at any other location than the rear of the booth.

TERMS & CONDITIONS

1. Order with payment & floor plan (for island booths or any booth requiring distribution of electrical services) must be received no later than the deadline date on the order form for advance payment rates to apply. Orders received without payment and required floor plan will not be guaranteed advance rates. Orders received after the deadline date will be charged at the regular rate. A purchase order or photocopy of a check are not considered valid forms of payment for securing advanced rate.

2. To receive advance rates a complete order inclusive of a scaled electrical layout must be received before the advance payment deadline date. The scaled layout must match the order and include power locations and orientation. Any changes or additional services received after the deadline date will be charged the regular payment price.

3. In the event order totals are calculated incorrectly, Edlen reserves the right to make the necessary corrections and charge the corrected amount. Exhibitors will be notified by email of any such corrections.

4. Outlet rates listed include bringing services to one location at the rear of inline and peninsula booths.

5. Outlet rates listed do not include the connection of any equipment, special wiring, or distribution of the outlets, to other than the standard locations within the booth space. Distribution to all other locations regardless of booth type require labor and is performed on a time and material basis. Exhibitors are invited to contact the local Edlen office to discuss any additional costs that may be incurred.

6. A separate outlet must be ordered for each location where an electrical service is required. 5 amps or 500 watts is the minimum amount of power that can be ordered for any one location. Power must be ordered according to peak amperage ratings.

7. Island Booths - Booths that require power to be delivered to multiple locations within their booth space incur a minimum (1) hour labor charge for installation. The removal of this work will be charged a minimum (1/2) hour or (1/2) the total time of installation. Material charges will apply. Return a floor plan layout of your booth space indicating a main distribution point and all outlet locations with measurements and orientation. If a main distribution point is not provided, Edlen will deliver to the most convenient location.

8. There is a total (1) hour or (1/2) hour installation and (1/2) hour removal charge for Island Booths that require delivery to one location.

9. Labor rates are based on current wage scales and are subject to change in the event of a wage increase after rates have been published. A minimum charge of (1) hour labor will apply for all installation work. The removal of this work will be charged a minimum of 1/2 hour or 1/2 the total time of installation, plus material.

10. Edlen Supervision—A supervisory charge of 10% of the prevailing labor rate will apply to all labor that exceeds one hour.

11. For a dedicated outlet, order a 20 amp outlet.

12. No inverters, self contained power supplies or devices that convert battery power to 120 volt power allowed.

13. In the event 1000 watt overhead quartz lights cannot be mounted to existing catwalks in the convention hall, lift and labor charges will apply. Contact our local office to discuss any additional charges.

14. Edlen employees are authorized to cut floor coverings when essential for installation of services unless otherwise directed.

15. Edlen is the exclusive provider of all material and equipment used in the distribution of temporary electrical services throughout the exhibit hall including the exhibitor booth space. This material is provided on a rental basis ONLY and remains the property of Edlen. It shall be removed only by Edlen employees.

16. Any extension cords or power strips ordered on the front of this form should be picked up at the Exhibitor Service Center. Credit will not be issued for unused items.

17. Standard wall and other permanent building utility outlets or sockets are not part of a booth space and may not be used by exhibitors unless electrical services have been ordered through Edlen.

18. All equipment regardless of source of power, must comply with federal, state and local codes. Edlen reserves the right to inspect all electrical devices and connections to ensure compliance with all codes, for which labor charges can be incurred. Edlen is required to refuse connections where the Exhibitor wiring or equipment is not in accordance with electrical codes.

19. All electrical equipment must be properly tagged and wired with complete information as to the type of current, voltage, phase, cycle, horsepower, etc., required for operation.

20. All Exhibitors’ cords must be a minimum of 14 gauge, 3 wire and grounded. Two (2) wire extension cords are not allowed. All exposed, non-current carrying metal parts of fixed equipment which are liable to be energized, shall be grounded.

21. Payment in full must be rendered during the event. Exhibitors ARE NOT billed for services provided. Services may be interrupted if payment is not received.

22. Credit will not be given for services installed and not used. All orders are subject to a 25% cancellation fee if cancelled in writing and received by Edlen (21) calendar days or less prior to the first contracted event move in date. Except sales tax, Edlen will not refund overpayment in amounts less than $50.00 unless specifically requested in writing.

23. If the event is cancelled within 90 days prior to the first contracted event move-in day all orders are subject to a 25% cancellation fee. No refunds will be issued for events cancelled on or after the first contracted event move-in day.

24. Claims will not be considered or adjusted made unless filed in writing by Exhibitor prior to the close of the event.

25. Exhibitor holds Edlen harmless for any and all losses of power beyond Edlen’s control, including, but not limited to, losses due to utility company failure, permanent power distribution failure, power failure caused by vandalism, faulty Exhibitor equipment or overloads caused by Exhibitor.

26. It is agreed that in the event it becomes necessary to turn this matter over to an attorney for collection, or to file a lien, or foreclosure, or otherwise, Exhibitor will pay Edlen its attorney fees or applicable agency fees.

27. A service charge of 1.5% per month on any unpaid balances will be assessed starting 10 days after date of invoice. A $25.00 service charge will be assessed for all returned checks and credit cards. Exhibitor agrees to reimburse Edlen for all applicable rental taxes.

28. Exhibitor hereby agrees to all terms and conditions outlined on all order forms and the Edlen General Data Protection Regulation (GDPR) privacy policy which can be re-

COMMONLY ASKED QUESTIONS - WHERE WILL MY OUTLET BE LOCATED?

Outlets are located as depicted below for inline & peninsula booths. All other locations require labor on a time & material basis. Exhibitors with hard wall booths must make arrangements with Edlen to bring power inside the booth on a time and material basis.

FOR OTHER COMMONLY ASKED QUESTIONS VISIT OUR WEBSITE @ WWW.EDLEN.COM OR CALL THE NUMBER ON THE ELECTRICAL ORDER FORM

T&CELEC.V4.SL.04.20
LABOR ORDERING INSTRUCTIONS

Step 1  Review Jurisdiction Information Below
The work outlined under Electrical Jurisdiction below must be performed by Edlen Electricians and cannot be performed by any other union or I&D House. Determine the type of work required in your booth space and complete the corresponding labor forms. The Power Delivery section indicates if power typically comes from the ceiling or the floor which may impact your booth layout.

Step 2  Complete the Appropriate Forms
There are 2 different forms utilized to schedule labor in your booth space. This allows exhibitors to pre-pay the estimated labor cost. This is only an estimate. Final labor and/or lift cost may be greater or less depending on time required and minimum labor charges.

A. Electrical Distribution
   This form is used for the distribution of power on the floor in your booth space. This form should be completed for all island booths. Inline and peninsula booths need to provide this information only if power is required at any other location than the rear of the booth space.

Step 3  Return the following forms to Edlen
Electrical Order, Method of Payment, applicable Labor Forms and Electrical Layout.

ELECTRICAL JURISDICTION

WORK REQUIRING EDLEN ELECTRICIANS

1. Delivery of main power line to Island Booths only
2. Electrical distribution under carpet or overhead
3. Connection of all high voltage services
4. Hardwiring of any electrical apparatus
5. Installation of lighting hung from ceiling
6. Assembly & installation of lighting hung from ground supported truss
7. Installation of lighting & monitors
8. Installation & disconnect of powers packs/inverters

POWER DELIVERY

Power is typically delivered from the floor in this facility and is brought to one main distribution point. From this point it is distributed to all other locations in the booth space. Depending on the total power requirements an electrical panel may be placed at the main distribution point. Electrical panels utilize a minimum of 1’x1’6” floor space. Please call if you have any concerns.
ALL Island booths MUST provide the information below. Inline and peninsula booths need to provide this information ONLY if power is required at any location other than the rear of the booth space. This information allows Edlen the opportunity to expedite move-in by having your power distribution complete prior to your scheduled move-in time. Complete all of the fields below including the “Labor Estimate” Section. Edlen will make every attempt to complete the work prior to your arrival, but it can not be guaranteed.

1. Provide an Electrical Layout Form:
   A. The electrical layout must indicate each power outlet and its location with exact measurements.
   B. The electrical layout must reflect booth orientation. Use surrounding booth or aisle numbers.
   C. Identify a main distribution point. Power is delivered to that point and then distributed to other locations. Inline or peninsula booths do not need to provide a main distribution point. Power will be located at the rear of the booth.
   D. If power is only required in one location in Island booths, indicate that location with measurements on your electrical layout.

2. What date will you begin building your booth?
   A. Date:_______________________ Time:_______________________

3. Will you be utilizing any specialty floor covering other than carpet, such as vinyl or wood?
   A. Describe flooring:____________________________________________________________________________
   B. Estimated date and time flooring installation will begin. Date:_______________________ Time:______________

4. Show site supervisor:
   Name _________________________________________________ Cell # ____________________________________
   Email _________________________________________________ Company ________________________________

5. The exhibitor acknowledges there is a minimum 1 hour labor charge for the distribution of services and 1/2 hour for the removal of services. Island booths that only require power delivered to one location incur a 1 hour installation and removal charge.

6. In the event a lift is required to deliver power from the ceiling, or if the exhibitor requests power be delivered from above when it’s available on the floor, lift charges will apply for installation and removal. There is a minimum 1 hour installation and 1 hour removal cost for both lift and labor. For safety reasons lifts require a 2 man crew.

**BOOTH LABOR REQUIREMENTS**

The date and times completed below assist Edlen in scheduling electrical manpower. These times and number of men are not guaranteed. Otherwise, all requests are performed on a first come first serve basis. A representative must come to Edlen’s service desk prior to each individual labor request time in order to confirm the booth is ready for labor. If labor is dispatched at the requested time and no “exhibitor supervision” is available, a minimum 1/2 hour labor charge per electrician applies.

BOOTH CLEANING TERMS & CONDITIONS

1. Cleaning your exhibit area is not included in space rental.
2. Cleaning service can be ordered on site at the regular rate.
3. Our exclusive cleaning contract will not permit other service contractors to provide this service.
4. If you have any questions or need assistance with any orders items not listed, please call and ask for your Event Services Manager Representative.
5. Full payment is due in advance or at show site before any service is provided. Purchase orders are not considered payment.
6. It is your responsibility to advise our service center representative of any problem with any of your orders, and to check your invoice for accuracy prior to the close of the exhibition.
7. We require 100% prepayment of advanced orders, any orders or services placed at show site must be paid at show site. Payment must be in U.S. Funds and drawn on a U.S. Bank.
8. Should there be any unpaid balance after the close of the show, terms will be net, due and payable upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a finance charge at the lesser on the maximum rate allowed by applicable law, or 1.5% per month, which is an annual percentage rate of 18%, and future orders will be on a pre-payment basis only. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received shall be either applied to reduce the principle unpaid balance or refunded to the payer.
9. This payment terms and conditions agreement shall be governed by and construed with the laws of the State of Missouri.
10. Exhibitor hereby agrees to all terms and conditions outlined on all order forms and the Edlen General Data Protection Regulation (GDPR) privacy policy which can be reviewed by visiting: https://ordering.edlen.com/LegalNotices/Terms-Edlen-GDPR.pdf

**IMPORTANT NOTES**

**ADDITIONAL CONNECTIONS**

If you have more than one machine or multiple connections on a machine, you must order an additional connection for each machine or connection within 20 feet of the outlet ordered. Otherwise you must order another outlet.

**AIR LINE RESPONSIBILITIES**

Edlen is not responsible for moisture, oil, or water in air lines, loss of flow, or increase in pressure in line to equipment. Exhibitor should supply their own filters, driers, or other equipment as needed. No compressors are permitted other than those supplied by Edlen unless they are a fixed part of your machine.

**WATER PRESSURE**

Pressure may vary. No guarantee can be made to minimum or maximum pressures. If pressure is critical, the Exhibitor should arrange to have a pressure regulator valve or pump installed. Edlen is not responsible for sediment, color or taste of water.

**LABOR NOTES**

**OUTLET DELIVERY**

There is a minimum labor charge of 1 hour to deliver and 1/2 hour to remove each air, water, and drain outlet. Outlets are delivered to the rear of inline and peninsula booths, and to one location in island booths. If a lift is required to drop the outlets from the ceiling, a 1 hour lift charge for installation and 1/2 hour for removal will apply.

**OUTLET DISTRIBUTION**

Once outlets have been delivered, the ramping and/or distribution of services on the floor will be done on a time and material basis. A minimum 1 hour labor charge for installation and 1/2 hour for removal will apply.

**OUTLET CONNECTIONS**

Connection to exhibitor equipment is included in the cost of the service. Special equipment requiring company engineering or technicians for assembly, servicing, preparatory work and operation may be executed without Edlen plumbers.

PLUMBING JURISDICTION

The work described below falls within the jurisdiction of Edlen Plumbers and cannot be performed by any other union, I&D house or exhibitor. Contact our office for clarification regarding scope of work.

- Delivery of Air, Water and Fill & Drain lines
- Installation of lines delivered from overhead
- Distribution of Air, Water & Drain lines under carpet

1. REVIEW EACH SECTION AND COMPLETE LABOR ESTIMATE

A. Outlet Delivery & Removal

There is a minimum 1 hour labor charge for the delivery and 1/2 hour for the removal of each air, water and drain service. If a lift is required to drop services from overhead, a minimum 1 hour for installation and 1 hour for removal will apply.

B. Outlet Distribution Throughout Booth Space

Air, Water and Drain lines are brought to one location at the rear of inline, peninsula and island booths. If you require the distribution of services to any other location within the booth space, there is a minimum 1 hour labor charge for distribution and 1/2 hour for removal, or 1/2 the total time of installation, whichever is greater.

C. Outlet Connections

Connection to exhibitor equipment is included in the cost of the service.

2. DISTRIBUTION OF SERVICES IN BOOTH SPACE

A. Island Booths need to provide the following information:
1. The plumbing layout must indicate each outlet and its location with exact measurements.
2. Each location should indicate the type of service. All air locations must include CFM requirements.
3. The plumbing layout must reflect booth orientation. Use surrounding booth or aisle numbers.
4. Identify a main distribution point. Services are delivered to that point and then distributed to other locations.

B. Inline or Peninsula booths must provide the same information with the exception of the main distribution point. The main distribution point will be located at the rear of the booth space.

C. Date you will begin building your booth: ________________________________ Estimated time: ________________

D. Will you be utilizing any specialty floor covering other than carpet, such as vinyl or wood?
1. Describe flooring: ___________________________________________________________________________________

E. What time do you estimate needing the physical connection to your equipment? Date: ________________ Time: ________________

F. Show site supervisor: _____________________________________________ Company: ________________________________
Cell #: _______________________________ Email: ______________________________________________________________

G. This information allows Edlen the opportunity to expedite move-in by having your plumbing distribution complete prior to your scheduled move-in time. Complete the “Labor Estimate” Section below. Edlen will make every attempt to complete the work prior to your arrival.

PLUMBING SERVICES ORIGINATE FROM THE FLOOR IN THIS VENUE

Air, water & drain services are delivered from a floor port to a “main distribution point” in island booths and then distributed from that point. Indicate this location and all other outlet locations using the legend & grid below. Inline and peninsula booths need to provide this information only if these services are needed at any other location than the rear of the booth. (See T&C page 4 for examples):

<table>
<thead>
<tr>

</tr>
<tr>
<td>Inline</td>
<td>_____ Square = _____ Ft</td>
<td>W  = Water</td>
</tr>
<tr>
<td>Peninsula</td>
<td>Total Square Footage = ______</td>
<td>A  = Air</td>
</tr>
</tbody>
</table>

Go to the exhibitors tab at [www.edlen.com](http://www.edlen.com) for an exact grid to match your booth space.
1. A complete order with payment and floor plan inclusive of a scaled layout (for island booths or any booth requiring distribution of plumbing services) must be received no later than the deadline date for advance payment rates to apply. Orders received without payment and required floor plan are not guaranteed advance rates. Orders received after the deadline date will be charged at the regular rate. A purchase order or photocopy of a check are not considered valid forms of payment for securing advanced rate.

2. To receive advance rates a complete order inclusive of a scaled plumbing layout must be received before the advance payment deadline date. The scaled layout must match the order and include plumbing locations and orientation. Any changes or additional services received after the deadline date will be charged the regular payment price.

3. In the event that totals are calculated incorrectly, Edlen reserves the right to make the necessary corrections. Exhibitors will be notified by email of any corrections made. This includes adding the required minimum CFM charges when applicable and labor charges.

4. All outlets will be installed on the floor at the back wall of inline and peninsula booths. All services ordered for island booths will be dropped to one location in the booth. Edlen will make every attempt to deliver these services to a location convenient to the exhibitor.

5. Distribution of services throughout the booth space, whether under the carpet, above the carpet or overhead is done on a time and material basis. Lift charges may also apply for overhead distribution.

6. Additional footage charges apply when an Exhibitor requires services that are further than 90 feet away from closest outlet and when dropped from overhead when services originate on the floor or columns.

7. Labor charges apply when an exhibitor requires services to be dropped from overhead when services originate on the floor or columns.

8. The CFM requirements (Cubic Feet per Minute) determine the volume of air required to properly operate exhibitors equipment. CFM is a labor charge for sizing and installation of the service infrastructure.

9. In some instances a pump is required to drain services out of an exhibitor’s booth. When this occurs, time & material charges apply. Exhibitors are encouraged to contact Edlen to discuss any potential additional costs.

10. Connection to exhibitor equipment is included in the cost of the service. Special equipment requiring company engineering or technicians for assembly, servicing, preparatory work and operation may be executed without Edlen plumbers.

11. Service outlet size is determined by the volume required. Air line size is dictated by the CFM requirements and air line terminations vary.

12. Compressed Air is supplied during show hours only. If compressed air is required for non-show hours call for a quote.

13. Wall, column and permanent building utility outlets are not part of booth space and are not to be used by exhibitors.

14. Unless otherwise directed, Edlen personnel are authorized to cut floor coverings to permit installing service(s) ordered.

15. Pressure for Water Services may vary. No guarantee can be made of minimum or maximum pressure. If pressure is critical, the exhibitor should arrange to have a pressure regulator valve installed.

16. Natural Gas "when available" is not regulated by Edlen and is at the facility pressure. Call for price quote when available.

17. Gas & Cylinders “when available” 1025 - 1030 BTU per cubic foot at 7’ water column pressure. Credit will not be provided on unused cylinders.

18. All equipment using water must have inlet and outlet properly tagged.

19. All equipment must comply with state and local codes.
